Songs of Praise to the King – Righteousness and Judgment

(ராஜாவுக்கு துதி – நீதியும் நியாயமும்)

Song 1 We praise! We praise!

Psalm 72 – Prayer for the king (Messiah) to judge righteously, defend the poor, bring peace, reign to earth's ends, receive tribute. God alone exalts and humbles, sets foundations, cuts wicked horns, lifts righteous. Fulfilled in Jesus (Luke 1:32–33; Rev 19:16).

Psalm 75 - God alone judges righteously, exalting one and humbling another (v.7). He warns the proud, cuts off wicked horns (v.4–5,10), sets appointed time for justice (v.2). Earth's pillars shake under His hand (v.3). Righteous praise Him as near and wonderful (v.1,9). Fulfilled in Christ, ultimate Judge (John 5:22; Rev 19:11–16).

Amen.

We praise! We praise!
The Lord of lords we praise!
We praise! We praise!
The King of kings we praise!
One He brings low, another He exalts on high —
God alone is Judge, the Judge who never lies!

We praise! We praise!
The Lord of lords we praise!
We praise! We praise!
The King of kings we praise!

The Name of the Lord is very near right here,
Wonderful in counsel, the God who answers prayer!

At the set time that You Yourself appoint,
You will judge the nations with righteousness and might!

We praise! We praise!
The Lord of lords we praise!
We praise! We praise!

The King of kings we praise!

The earth and all its pillars — You have made them stand,
You set the foundations firm by Your own hand!

We praise! We praise!
The Lord of lords we praise!
We praise! We praise!
The King of kings we praise!

The horns of all the wicked You will cut clean off,
But the horns of the righteous You will lift aloft!

We praise! We praise!
The Lord of lords we praise!
We praise! We praise!
The King of kings we praise!
